### Board Recruitment Process

Prospective new board members must undergo a simple two-part recruitment process. Candidates must submit the following items to Rachel Shank at [rachel@georgetownmainstreet.com](mailto:rachel@georgetownmainstreet.com) who will distribute to the Governance Committee:

1. Complete Interest Form [here](#)
2. Complete Main Street Board Profile
3. Resume

After the committee reviews the information, candidates may be scheduled for a 30-minute interest meeting. This meeting is intended to help share more information about the responsibilities of Board members and get a sense of the skills and capacity candidates can bring to the organization.
