MAYOR MURIEL BOWSER PRESENTS

# ART ALL NIGHT

DC Art All Night will take place in sixteen (16) neighborhoods across two nights bringing visual and performing arts, including painting, photography, sculpture, crafts, fashion, music, dance, theater, film, and poetry, to indoor and outdoor public and private spaces, including local businesses and restaurants.

In our inaugural year, we welcome you to the Wisconsin Avenue corridor to discover the amazing small businesses, art organizations, and cultural institutions in Georgetown. With 8 event venues activated continuously throughout the evening, there's much to do, see, and hear. Enjoy!

## Win Prizes from Georgetown Businesses!

Visit all 8 Art All Night venues in Georgetown and be entered into a raffle to win prizes from local businesses such as Dog Tag Bakery, the Lantern Book Shop, and Bacchus Wine Cellar. Find the full list of raffles on the event website at [georgetownmainstreet.com/art-all-night-2021](http://georgetownmainstreet.com/art-all-night-2021). There is no cost to enter the raffle; simply bring your punched Event Guide back to the Welcome Center at the corner of Reservoir Rd and Wisconsin Ave NW before 9:45 p.m. Winners will be notified after the event.

## Welcome Centers

# Addison/Ripley Fine Art

**1670 Wisconsin Ave NW**

**5:00pm – 9:30pm**

Begun by partners Sylvia Ripley and Christopher Addison in 1981 in Dupont Circle, the gallery expanded to its present location on Wisconsin Avenue in Georgetown in 2002. During its 40 continuous years in business, the gallery has exhibited local, national and international talent, shepherding emerging artists and highlighting established ones. The current building for the gallery was first a business sewing and making uniforms, then a Russian Ballet Studio, then an Asian Antiques shop. After that, for decades, it was a design studio and finally, a real estate office before the gallery moved in. Reportedly, an illegal gambling business was run out of the basement in the 1960s. That claim is made more substantial with the more than 100, now disconnected, phone lines coming into the building.

## **ART ON DISPLAY**

To celebrate their 40th year in business, the September exhibition, 40 \* 4 \* 40, will feature a sampling of works by 40 of the artists who have been most meaningful to it over the last four decades, including Lou Stovall, Polly Kraft, Diana Walker, Sam Gilliam and Wolf Kahn, as well as younger artists such as Frank Hallam Day, Trevor Young, Isabel Manalo and Dan Treado.
